

HOT CHILE-CILANTRO COMPOUND BUTTER (Pepper Blend Seasoning)

- 4 tablespoons chopped cilantro
- 2 tablespoons minced fresh red Serrano Chile peppers
- 2 tablespoons lime juice (about 1 lime)
- salt and Cattle Boyz Pepper Blend Seasoning

Mix all ingredients together and blend thoroughly in a blender or by hand. You can roll them into tubes, cover them with plastic wrap, put them in the freezer and then just cut slices the size you need. A small pat on top of your chicken, rice, pork, fish, crackers or appetizers will melt and spread its flavor over the food.
